

ZOO SCHOOL & JUNIOR ZOO SCHOOL 2012

Background

Zoo School and Junior Zoo School programs are high quality learning programs which have been offered by the Adelaide Zoo Education Service for many years. Teachers work with Education Officers to negotiate suitable programs for their classes, which are supported by sessions from the Education Officer at the Zoo. During their time at the Zoo, classes base themselves in the Education Centre classrooms. In the past these programs have been very popular and highly sought after.

Zoo School programs (Year 4-7)

Three day programs Include 2 Education Officer sessions on each day.

Two day programs Include 2 Education Officer sessions on each day.

For all programs, the Education Officer and teacher(s) negotiate a range of other suitable Zoo experiences during the days at the Zoo. Only one class is booked at a time.

Junior Zoo School programs (Rec – Year 3)

Intensive two day programs Include 2 Education Officer sessions on each of the 2 days.

Supported two day programs Include 1 Education Officer session on each of the 2 days.

For all programs, the Education Officer and teacher(s) negotiate a range of other suitable Zoo experiences during the days at the Zoo.

Only one class can be booked in at a time for the Intensive Junior Zoo School program. Two classes can be booked in at a time for the Supported Junior Zoo School programs. This works well for 2 classes from the same school who can share transport.

Booking Process for 2012

The booking process aims to maximise the number of schools able to access the program, and to encourage new schools and teachers to become involved.

Teachers who wish to bring classes in for 2012 should contact the AZES on **8267 2434** to obtain an application form. There will be 2 application periods:

Semester 1, 2012 Applications should be submitted by the end of Week 5 Term 4, 2011
Semester 2, 2012 Applications should be submitted by the end of Week 5 Term 1, 2012

Priority

If more than one application is received for a particular time period, priority will be given as follows:

1. Schools where the students involved have not done a Junior Zoo School or Zoo School before.
2. Schools that link the Zoo School or Junior Zoo School programs to curriculum being undertaken at school.
3. Schools where the development of teachers' knowledge and skills is a priority and the teacher has not been involved in these programs before.

Generally all applicants can be accommodated at a negotiated time.

Late Applications

Applications will be processed in the week following the deadlines above. Late applications will be fitted into vacancies available.
