How YOU can **MAKE A DIFFERENCE** for wildlife

Go MAD for RHINOS

Sell Beaded items that support fair trade to give back to the wildlife and people of Northern Kenya.

Go MAD for CHIMPS

Set up a mobile phone recycling campaign to reduce landfill and help our closest relatives living in the wild.

Go MAD for CARNIVORES

Collect donations to go CASUAL FOR CARNIVORES and raise funds to support lion, cheetah, painted dog, hyena and leopard survival in the wild.

Go MAD for AUSSIES

Hang a nesting box in your backyard or school and help recreate an artificial hollow for one of our Aussies looking for a home.

You can commit to conservation to protect international species and animal habitats by making regular monthly donations to Zoos SA.

If you want to adopt an animal or commit to conservation go to
