Day Learning Experiences

Min 15 students per booking

	K-Yr 3	Yr 4-5	Yr 6-7	Yr8-10	Yr11-12
Zoo Crew: Hands on conservation work that benefits the Park, the animals and the environment. Find out about the role of Monarto Safari Park and how you can contribute to conservation.					
Zoo Explorer: Multi-sensory adventure that connects the students with nature. Head off-track to search for signs of life and discover the interconnections between the plants and animals in our natural bushland.					
Rangers: Find out about the important role Rangers play in African National Parks. Students use their observations to determine animal distribution that they can transfer to a map and identify the Rhinos. 'Ranger skills' are tested through some activities at the 'Ranger Station'!					
Horticulture and conservation: Find out about our propagation program for native revegetation as well as animal food. We will provide seedlings for you to take back to school to propagate and nurture. Return to Monarto to plant, water and help maintain our plantations.					
Tourism: An extended 2hr Safari tour on your own bus, finding out about Zoos SA as a two-site conservation organisation and a South Australian tourism destination from one of our experienced hosts.					
Photography: An extended 2hr Safari tour on your own bus with flexibility to get up close to animals and off at various bus stops for great photograph opportunities.					

Monarto Overnights

Min 20 — max 35 students per booking

Monarto Overnights provide opportunities for students to have fun, work together and learn about the role Monarto Safari Park plays in conservation. Students will also learn how they can play a part in conservation that makes a real difference. Visit some of the 'Off Limits' areas of Monarto Safari Park and get involved in hands-on activities that help the animals, the Keepers and the Safari Park. Students learn about the importance of and the role African National Park Rangers play in protecting habitat and wildlife. Students will have a chance to discover and explore the Indaba Bush Camp and surrounds during night time activities led by the Overnight Educator.
