## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Royal Zoological Society of South Australia Incorporated (the "Society") is a not for profit incorporated association domiciled in South Australia. The address of the Society's registered office is Frome Road, Adelaide, South Australia. The Society during the year was involved in the operation of Adelaide Zoo and Monarto Safari Park. The Society is also involved in a wide range of Conservation Programs both in Australia and internationally.

This financial report was authorised for issue by the Board on 25 October 2022.

#### (a) Basis of Preparation

In the opinion of the directors, the Society is not publicly accountable. These financial statements are the first general purpose financial statements prepared in accordance with Australian Accounting Standards – Simplified Disclosures. In the prior year the financial statements were general purpose financial statements prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements.

There were no transition adjustments on the adoption of Australian Accounting Standards – Simplified Disclosures and there was no impact on the recognition and measurement of amounts recognised in the statements of financial position, profit and loss and other comprehensive income and cash flows of the Company as a result of the change in the basis of preparation.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards – Simplified Disclosure Requirements of the Australian Accounting Standards Board (AASB), the Australian Charities and Not-for-profits Commission Act 2012 (ACNC) and the Associations Incorporation Act 1985 (as amended). The association is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of the financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

The financial report is presented in Australian dollars, which is the functional currency of the Society.

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future period affected.

Information about critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:

- Note 6 Property, Plant and Equipment
- Note 8 Employee Benefits
- Note 10 Sundry Creditors
- Note 11 Income in Advance

The financial statements have been prepared on a going concern basis. Further detail about the assessment of going concern is set out in Note 1 (b).

The accounting policies set out below have been applied consistently to all periods presented in the financial report

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

## NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

## (b) Going Concern

The financial statements have been prepared on the going concern basis which assumes the Society will be able to pay its debts as and when they become payable and in the ordinary course of business for a period of at least 12 months from the date the financial report is authorised by Directors for issue.

The Society has derived a surplus for the year of \$8.45m (2021: \$8.79m). As at 30 June 2022, the Society has net assets of \$51.03m (2021: \$42.61m) however has a working capital deficiency of \$7.15m. Included in current liabilities is \$7.27m of income received in advance which is not expected to require repayment and employee provisions of \$3.99m, the majority of which are not anticipated to be settled within the next 12 months.

Ongoing recovery from COVID-19 restrictions resulted in impacts on visitation and revenue during the financial year ended 30 June 2022. These are not expected to continue with any significant impact for the financial year ended 30 June 2023.

The Board has prepared a cash flow forecast of the Society to 31 October 2023 which indicates that it will be able to meet its obligations as and when they fall due. The cash flow forecast includes revenue estimates in line with normal trading conditions and does not assume any future impacts from COVID-19, and there will remain a focus on containing employee and operating expenses to current levels. The following key assumptions have been used in formulating the cash flow forecast:

- Operations will return to near pre COVID-19 longer term trading conditions
- Earnings associated with the new Wild Africa precinct are in line with previous expectations.

The cash flow forecast is particularly sensitive to the Society achieving its visitation and revenue forecast. A decrease in the visitation and revenue forecast would result in the Society needing to seek additional funding from the State Government. At this time, no formal arrangements are in place in relation to the State Government support currently in place.

The current ANZ facility is due to expire in June 2027, with a balance owing of \$2.55m. The facility requires no repayments be made during 2022/23, with repayments to commence during 2023/24.

Directors anticipate that the Society will be able to meet financial covenants contained in its financing facilities with ANZ, or otherwise, ANZ will not enforce its legal rights in relation to any arising covenant breaches. Whilst Directors anticipate continued support from ANZ in this regard, no formal undertakings from ANZ exist at this time.

Whilst Directors anticipate the on-going support of the State Government, in the event that the cash flows of the Society are lower than anticipated, and the Society is unable to obtain additional funding from the State Government or other sources, then there exists a material uncertainty which may cast significant doubt as to whether the Society can continue as a going concern and therefore realise its assets and extinguish its liabilities in the ordinary course of business at the amounts stated in the financial report.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

## NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### (c) Revenue

#### (i) Sales Revenue

Income from Admissions, Education, Catering and Retail are recognised as revenue when earned rather than when received.

## (ii) Grants

Grant income arising from an agreement which contains enforceable and sufficiently specific performance obligations is recognised when control of each performance obligations is satisfied. The performance obligations are varied based on the agreement but may include management of events. Within grant agreements there may be some performance obligations where control transfers at a point in time and others which have continuous transfer of control over the life of the contract. Where control is transferred over time, generally the revenue is recognition based on either cost or time incurred which best reflects the transfer of control.

Assets arising from grants in the scope of AASB 1058 are recognised at their fair value when the asset is received. These assets are generally cash but maybe property which has been donated or sold to the Society at significantly below its fair value. Once the asset has been recognised, the Society recognises any related liability amounts (e.g. provisions, financial liabilities). Once the assets and liabilities have been recognised then income is recognised for any difference between the recorded asset and liability.

## (iii) Capital Grants

Capital grants received under an enforceable agreement to enable the Society to acquire or construct an item of property, plant and equipment to identified specifications which will be controlled by the Society (once complete) are recognised as revenue over the construction period. For acquisitions of assets, the revenue is recognised when the asset is acquired and controlled by the Society.

#### (iv) Interest & Dividends

Interest revenue is recognised as it accrues on a daily basis, using the effective interest method. Dividend revenue is recognised in the statement of profit and loss and comprehensive income on the date the right to receive payments is established, which in the case of quoted securities is normally the ex-dividend date.

#### (v) Annual Membership Subscriptions

Annual Membership subscriptions are recognised as revenue when earned over the period of the subscription rather than when the cash is received. Prepaid subscriptions are recorded as unearned revenue and are included in Income in Advance.

#### (vi) Life Membership Subscriptions

Life Membership subscriptions are recognised as revenue when earned over the period of the subscription rather than when the cash is received. Subscriptions are recorded as unearned revenue and are included in Income in Advance. The value of the Life Membership is amortised on a straight line basis over a 15 year period, which represents the expected period over which the member will use the membership.

## (vi) Sponsorship

Revenue is recognised where the Society has received assets (including cash) to acquire or construct a non-financial asset, the asset is to be controlled by the Society and there is a liability to provide benefits to the customers which the excess of initial carrying amount of asset over liability amount is recognised as income.

### (vii) Fundraising

Revenue from fundraising events is accrued until such time as the particular event occurs, at which time the revenue is recognised in the Statement of Profit or Loss and other Comprehensive Income.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

## NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### (viii) Donations & Bequests

Revenue from bequests and donations, including cash and goods for resale, are recognised in the Statement of Profit or Loss and other Comprehensive Income when the funds have been received, and the Society gains control of the asset.

#### (d) Receivables

Receivables to be settled within 60 days are carried at amortised cost. The Society is not materially exposed to any individual customer. The collectability of debts is assessed at year-end (see accounting policy (h)).

## (e) Cash and Cash Equivalents

Cash and cash equivalents comprise cash balances and at call deposits.

## (f) Financial Assets at Fair Value Through Other Comprehensive Income

The Society has a portfolio of investments including interest bearing or dividend yielding securities. The Finance and Audit Committee manages the portfolio to minimise the exposure to significant risk due to changes in yields or market values.

When financial assets are recognised initially, they are measured at fair value. Financial assets other than those subsequently measured at amortised cost are subsequently measured at fair value. Investments in equity instruments that are not held for trading are measured at fair value through other comprehensive income. Fair value is determined based on fair value (being the redemption value) of all investments.

For investments in equity instruments that are not held for trading, the Society has elected at initial recognition to present gains and losses in other comprehensive income. For instruments measured at fair value through other comprehensive income, gains and losses are not reclassified to profit or loss and no impairments are recognised in profit or loss.

Dividends earned are recognised in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Financial assets are recognised/de-recognised by the Society on the date it commits to purchase/sell the investments.

#### (g) Inventories

Inventories are carried at the lower of cost and net realisable value. The cost of inventories is based on the first in first out principle, and includes the expenditure incurred in acquiring the inventories, and bringing them into their existing location and condition.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated selling expenses.

#### (h) Impairment

#### **Non-Financial Assets**

The carrying amounts of the Society's assets other than inventories (see accounting policy (g)) are reviewed at each balance date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated (see accountancy policy (h)(i)).

An impairment loss is recognised whenever the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. Impairment losses are recognised in the profit or loss, unless an asset has previously been revalued, in which case the impairment loss is recognised as a reversal to the extent of that previous revaluation with any excess recognised through profit or loss.

## **Financial Assets**

## (i) Calculation of recoverable amount

The recoverable amount of the Society's receivables carried at amortised cost is calculated as the present value of estimated future cash flows, discounted at the original effective interest rate (i.e., the effective interest rate computed at initial recognition of these financial assets). Receivables with a short duration are not discounted.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

## NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

## (ii) Reversals of impairment

An impairment loss in respect of receivables carried at amortised cost is reversed if the subsequent increase in recoverable amount can be related objectively to an event occurring after the impairment loss was recognised.

In respect of other assets, an impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

## (i) Property, Plant and Equipment

Items of property, plant and equipment are stated at cost less accumulated depreciation (see below) and impairment losses (see accounting policy (h)). Cost includes expenditure that is directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials and direct labour, any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. Borrowing costs related to the acquisition and construction of qualifying assets are capitalised as part of the cost of the asset.

Where parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment.

Assets donated to the Society are initially valued at fair value, being the amount for which the assets would be exchanged in an arm's length transaction. The asset value is determined by an independent valuation.

Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognised on a net basis in profit or loss.

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Society and its costs can be measured reliably. The carrying amount of the replaced part is derecognised. The cost of the day-to-day servicing of property, plant and equipment are recognised in profit or loss as incurred.

Depreciation is charged to profit or loss on a straight line basis based on the following depreciation rates:

 Buildings
 2.0% - 3.5%

 Exhibits
 3.3% - 5.0%

 Plant & Equipment
 10.0%

 Computers & IT
 25.0% - 30.0%

Motor Vehicles 10.0%

These rates were applied for the entire financial year. Land is not depreciated.

## (j) Creditors

Liabilities are recognised for amounts to be paid in future for goods or services received up to balance date. Creditors are normally settled within 30 days.

## (k) Employee Benefits

#### (i) Long-term service benefits

The Society's net obligation in respect of long-term service benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods. The obligation is discounted to its present value and the fair value of any related assets is deducted. The discount rate is the yield at the balance sheet date on high quality corporate bonds that have maturity dates approximating the terms of the Society's obligations.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

# NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

## (ii) Wages, salaries and leave

Liabilities for wages, salaries and leave that are expected to be settled within 12 months of reporting date, represent present obligations resulting from employees' services provided to reporting date and are measured as the undiscounted amounts based on wage and salary rates that the Society expects to pay as at reporting date including related on-costs. Superannuation obligations for contributions to superannuation plans are expensed as the related service is provided.

#### (I) Animal Acquisition and Transfer

Management of animal populations and a strong commitment to captive breeding of endangered species requires the Society to regularly interchange specimens with other approved zoos around the world. While threatened species and species subject to cooperative management plans are given freely for the benefit of conservation, the Society bears the cost of importing such species. No carrying value is attributed to the animals that are either transferred from other Zoological organisations or bred by the Society.

## (m) Taxation

The Society is exempt from income tax under the current provisions of the Income Tax Assessment Act. Accordingly there is no income tax expense or income tax payable.

#### (n) Leases

### (i) Leased assets

At commencement or on modification of a contract that contains a lease component, the Society allocates the consideration in the contract to each lease component on the basis of its relative stand-alone prices. However, for the leases of property the Society has elected not to separate non-lease components and account for the lease and non-lease components as a single lease component.

The Society recognises a right-of-use asset and a lease liability at the commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, adjusted for certain measurements of the lease liability.

The Society is not required to fair value the right-of-use asset relating to its Monarto Safari Park peppercorn land lease. The Society has elected to the measure the right-of-use asset at cost.

# (ii) As a lessee

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, and the Society's incremental borrowing rate.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Society's estimate of the amount expected to be payable under a residual value guarantee, if the Society changes its assessment of whether it will exercise a purchase, extension or termination option or if there is a revised in-substance fixed lease payment.

## (o) Goods and Services Tax

Revenues, expenses and assets are recognised net of amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

# NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included.

The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the Australian Taxation Office are classified as operating cash flows.

## (p) New and Amended Standards Adopted by the Society

The Society has initially adopted the following standard and amendments from 1 July 2021:

- AASB 1060 General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities:

The above standard and amendments did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

A number of other new standards are also effective from 1 July 2021 but they do not have a material effect on the Society's financial statements.

## **NOTE 3: GOVERNMENT AND OTHER GRANTS**

The South Australian Government provided general funding of \$6,146,592 (2021: \$6,036,026) during the year for operating purposes. Grant income of \$9,636,639 (2021: \$6,323,433) was recognised for the Monarto Safari Park Visitor Centre build which is a combination of State and Federal Government grants. Other Grants (Government and non-Government) totalling \$1,526,845 (2021: \$1,618,551) were recognised as income and are provided for specific projects carried out by the Society. During the year all general funding received has been recognised as income. Specific purpose funding has been recognised in accordance with the various funding agreements.

## **NOTE 9: LOANS AND BORROWINGS**

This note provides information about the contractual terms of the Society's interest-bearing loans and borrowings, which are measured at amortised cost.

	Note	2022	2021
		\$	\$
Total facilities utilised at reporting date:			
Fully Drawn Advance <sup>1</sup>		-	314,777
Secured Business Loan <sup>2</sup>		2,550,000	2,550,000
Hire Purchase <sup>3</sup>		346,387	495,271
		2,896,387	3,360,048
Facilities utilised at reporting date:			
Current			
Fully Drawn Advance <sup>1</sup>		-	314,777
Secured Business Loan <sup>2</sup>		-	2,550,000
Hire Purchase <sup>3</sup>		155,227	151,720
		155,227	3,016,497
Non Current			
Fully Drawn Advance <sup>1</sup>		, -	_
Secured Business Loan <sup>2</sup>		2,550,000	-
Hire Purchase <sup>3</sup>		191,160	343,551
		2,741,160	343,551
Total		2,896,387	3,360,048

- 1. The Fully Drawn Advance was held with the South Australian Government. The facility was unsecured, and matured in May 2022.
- 2. The secured business loan facility is held with Australia and New Zealand Banking Group (ANZ). The facility is secured by mortgage over freehold land held by the Society at Monarto that matures on 26 April 2027 and is subject to a weighted average interest rate of 3.84% p.a. The freehold land securing the loan has a carrying value of \$1,447,423. The Society signed a new agreement for the facility on 21 April 2022. The new agreement does not require the Society to make any loan principle repayments during the 2022-23 financial year therefore the entire balance has been classified as non current.
- 3. Hire purchase liabilities are effectively secured as rights to the leased assets. These revert to the lessor in the event of default.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

#### NOTE 17: EVENTS AFTER BALANCE DATE

There has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material and unusual nature likely, in the opinion of the directors, to affect significantly the operations of the Society, the results of those operations, or the state of affairs of the Society as at the date of this report.

# ROYAL ZOOLOGICAL SOCIETY OF SOUTH AUSTRALIA INC STATEMENT BY THE BOARD OF DIRECTORS

In the opinion of the directors of the Royal Zoological Society of South Australia Incorporated ('the Society'):

- (a) the Society is not publicly accountable;
- (b) the financial statements and notes that are set out on pages 2 to 20 are in accordance with the Australian Charities and Not-for-profits Commission Act 2012, and the Associations Incorporation Act 1985 (as amended), including:
  - (i) presents fairly in all material respects of the financial position of the Society as at 30 June 2022 and of its performance, for the financial year ended on that date; and
  - (ii) complying with Australian Accounting Standards Simplified Disclosures and the Australian Charities and Not-for-profits Commission Regulation 2013; and
- (c) there are reasonable grounds to believe that the Society will be able to pay its debts as and when they become due and payable.
- (d) Since the end of the previous financial year no Officer of the Society, no firm of which an Officer is a member, and no body corporate in which an Officer has a substantial financial interest, has received or become entitled to receive any benefit as a result of a contract between the Officer, firm or body corporate and the Society.
- (e) Since the end of the previous financial year no Officer of the Society has received directly or indirectly any payment or other benefit of a pecuniary value, other than in the case of officers employed by the Society, approved salaries which have been determined in accordance with general market conditions.

Signed in accordance with a resolution of the directors:

Dated at Adelaide 25 October 2022.

Ms J Riedstra

Ms J Riedstr President Dr S Robinson Vice President

# Independent Auditor's Report

To the Members of Royal Zoological Society of South Australia Inc.

## **Opinion**

We have audited the *Financial Report*, of the Royal Zoological Society of South Australia Inc (the Society).

In our opinion, the accompanying Financial Report of the Society is in accordance with Division 60 of the Australian Charities and Not-for-profits Commission (ACNC) Act 2012, including:

- i. Giving a true and fair view of the Society's financial position as at 30 June 2022, and of its financial performance and its cash flows for the year ended on that date; and
- ii. Complying with Australian Accounting Standards

   Simplified Disclosures Framework and Division
   60 of the Australian Charities and Not-for-profits
   Commission Regulation 2013 (ACNCR).

## The Financial Report comprises:

- i. Statement of financial position as at 30 June 2022;
- Statement of profit or loss and other comprehensive income, Statement of changes in equity, and Statement of cash flows for the year then ended;
- iii. Notes including a summary of significant accounting policies; and
- iv. The statement by the Board of Directors

## **Basis for opinion**

We conducted our audit in accordance with *Australian Auditing Standards*. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report.

We are independent of the Society in accordance with the auditor independence requirements of the ACNC Act 2012 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the Financial Report in Australia. We have fulfilled our other ethical responsibilities in accordance with these requirements.

## Material Uncertainty related to Going Concern

We draw attention to Note1(b), "Going Concern" in the financial Report. The conditions disclosed in Note 1(b) indicate that a material uncertainty exists that may cast significant doubt on the Society's ability to continue as a going concern and therefore, whether it will realise its assets and discharge its liabilities in the normal course of business, and at the amounts stated in the Financial Report. Our opinion is not modified in respect to this matter.

KPMG, an Australian partnership and a member firm of the KPMG global organisation of independent member firms affiliated with KPMG International Limited, a private English company limited by guarantee. All rights reserved. The KPMG name and logo are trademarks used under license by the independent member firms of the KPMG global organisation. Liability limited by a scheme approved under Professional Standards Legislation.

# Responsibilities of the Directors for the Financial Report

The Directors are responsible for:

- i. Preparing the Financial Report that gives a true and fair view in accordance with Australian Accounting Standards Simplified Disclosures Framework and the ACNC and ACNCR;
- ii. Implementing necessary internal control to enable the preparation of a Financial Report that gives a true and fair view and is free from material misstatement, whether due to fraud or error; and
- iii. Assessing the Society's ability to continue as a going concern and whether the use of the going concern basis of accounting is appropriate. This includes disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they either intend to liquidate the Society or to cease operations or have no realistic alternative but to do so.

# Auditor's responsibilities for the audit of the Financial Report

#### Our objective is:

- i. To obtain reasonable assurance about whether the Financial Report as a whole is free from material misstatement, whether due to fraud or error; and
- ii. To issue an Auditor's Report that includes our opinion.

Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with *Australian Auditing Standards* will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error. They are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Financial Report.

As part of an audit in accordance with *Australian Auditing Standards*, we exercise professional judgement and maintain professional scepticism throughout the audit.

#### We also:

- i. Identify and assess the risks of material misstatement of the Financial Report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the Audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered Society's internal control.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- iv. Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the registered Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Financial Report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the registered Society to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the Financial Report, including the disclosures, and whether the Financial Report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors of the registered Society regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

25 October 2022

# Auditor's Independence Declaration under subdivision 60-C section 60-40 of Australian Charities and Not-for-profits Commission Act 2012

To the Directors of Royal Zoological Society of South Australia Inc.

I declare that, to the best of my knowledge and belief, in relation to the audit for the financial year ended 30 June 2022 there have been:

- i. no contraventions of the auditor independence requirements as set out in the *Australian Charities and Not-for-profits Commission Act 2012* in relation to the audit; and
- ii. no contraventions of any applicable code of professional conduct in relation to the audit.
